(18 meetings) Dates:

- Sept. 24 - Nov. 26, Jan 7 - Feb 4,
Feb 25 - Mar 11

EITC (Engineering Information Technology Complex)

University of Manitoba

ENGINEERING
FUNSCIENCE
PROGRAMS & CAMPS

For girls who love science, this club is the place to be! Each week, members (girls Grades 3 - 8) will explore a new area of science, do an activity, meet with a scientist, or go on a field trip to a facility where real life engineers and scientists are applying their knowledge. Besides weekly meetings and activities, members will participate in design-build projects including the Engineers Geoscientists of Manitoba Spaghetti Bridge Competition. Members may also have the opportunity to participate in WISE Kid-Netic Energy fundraising events. In addition to all of that, Girls Club hosts an annual science fair for all of the members to participate in!

Grade 3 - 5 students and Grade 6 - 8 students will work independently on several projects, but will pair up for appropriate activities, fostering internal mentoring relationships.

Registration fee is \$300 for 18 meetings.

Bursaries are available for families in need.
Please call 474-9340.

T-SHIRT INCLUDED
